

# Solidor

Leading the way in high quality composite doors

**The Solidor Collection**  
Edition 2

# Welcome

The Solidor collection is an outstanding collection of solid laminate 48mm timber core composite doors that combine classical or modern styling with high security locking which provides a stunning, high quality and secure entrance to any home.

These exclusive doors are available in a wide range of style and colour options (including black and woodgrain) the option of a low threshold, making it the perfect solution for easy wheel or push chair access.

A comprehensive range of matching combination frames is also available with woodgrain options, that will compliment the look of any property. And with a full ten year guarantee you can rest assured that a Solidor will still look good for many years to come.

All our composite doors conform to PAS 23 - 1:1999 and PAS 24 - 1:1999 standards of weatherability and security.

Due to our continuous policy of development we reserve the right to change specifications without notice. Due to modern printing methods we cannot guarantee the accuracy of the colour reproduction shown in this brochure.
